## commissions

### stage 1: the photo shoot

We take the photos in a studio or on location. The image can also be supplied

### stage 2: the illustration

We manipulate the image using Illustrator and Photoshop

### stage 3: the canvas

We then print it on to canvas and stretch it to which ever size you like, this canvas was 100cm x 50cm. **For quotes, don't be shy to contact us.**

### CASE STUDY

## Commissions Digital prints onto canvas
